#### **TUITION PAYMENT POLICY**

##### **INTRODUCTION**

This policy has been designed to establish a financial governance framework as part of our ongoing efforts to improve services and ensure a smooth administrative process in the organization.

##### **PURPOSE**

A non-refundable admission fee of R500 will be implemented to new and returning students to secure space in the college for the upcoming academic year (2026). This is done to cover administration costs associated with the registration process and does not exempt students from paying for their tuition fees.

##### **TERMS OF PAYMENT**

By registering for courses at KBoneng Skills Academy, students and or parents, must acknowledge the liability for the application and tuition fee. The admission fee will be deducted from the students' tuition fee account, and the balance will be payable on a month-to-month basis.

NB: The fee is payable upfront. Students who fail to pay the registration fee will not be allowed to attend classes or access institutional facilities.
